11. Select **Add software** and complete this process. You will need your eLicenser number, as referenced earlier.

12. IMPORTANT

Once you have completed the "Add software" process, the next screen gives you the <u>LICENSE ACTIVATION CODE</u> you will be asked for. COPY THIS CODE DOWN, then click **I'm done.**

13. Click the **How to activate your product** link and follow the instructions.

14. Once this process has been completed you will receive a confirmation email that will include a copy of the activation code.

You have now completed Steinberg's Registration & Activation process.
